

My Remingan

Computer Engineering Undergraduate

University of Sri Jayewardenepura - Department of Computer Engineering

Email: my.remingan@example.com | GitHub: github.com/my-remingan | LinkedIn: [linkedin.com/in/my-remingan/](https://www.linkedin.com/in/my-remingan/)

Summary

Curious and code-obsessed developer who enjoys building clean, animated, and responsive user interfaces. Comfortable with JavaScript/React on the frontend and Firebase for simple backend needs. Open to internships and collaborations on impactful ideas.

Skills

- Frontend: HTML, CSS, JavaScript, React
- Backend & Tools: Firebase, Git
- Other: Python, Java, C++, Figma (UI Design)

Projects

- Clinician Dashboard - React app for patient insights and risk meters.
- Animated Portfolio - One-page site with orbit photo and smooth scroll.

Education

BSc (Hons) in Computer Engineering — University of Sri Jayewardenepura
